NOTICE OF WIND-DOWN AND CESSATION

Planck Network and the $PLANCK utility token

Published by Planck Network Cyprus Ltd (Cyprus, HE 481569) and Planck Network Ltd (BVI, registration 2173759)

Date of publication: 26 August 2026

Notification window: 26 August 2026 to 24 November 2026, 23:59 CET

1. Summary

The boards of Planck Network Cyprus Ltd (the "Cyprus Issuer") and Planck Network Ltd, British Virgin Islands (the "BVI Issuer", and together the "Issuers") have resolved to wind down both companies and to close out the $PLANCK utility token position in an orderly manner. This notice records that decision, opens the notification period for holders of $PLANCK, and sets out what will happen and by when.

- A notification window of 90 days opens today, 26 August 2026, and closes on 24 November 2026 at 23:59 CET.
- Any holder of $PLANCK who wishes to be heard, to submit a claim, or to place contact details on the record should do so before that date.
- After the window closes, the Core Team token allocation will be reconciled and any balance then remaining will be burned, administrative authority over the token contract will be renounced, and a technical notice recording those steps will be published on this page.
- The Issuers will then enter voluntary liquidation. Any claim submitted will be adjudicated by the liquidator appointed for the relevant company in accordance with the applicable law.

This page is the single source of truth for the wind-down and is updated as each step completes.

2. The entities and the token concerned

Item	Detail

Total supply	500,000,000 $PLANCK (fixed)
White paper	Notified to the Cyprus Securities and Exchange Commission ("CySEC") on 8 October 2025 and published on 7 November 2025; home Member State Cyprus, host Member State Ireland

3. Scope of this notice

This notice concerns the $PLANCK utility token and the two Issuers identified in section 2 only. It does not extend to any other company, and no other company is being wound down under it. Any question arising under a separate contract should be addressed to the counterparty named in that contract.

4. The notification window: what holders should do

If you hold, or have held, $PLANCK, or if you consider for any other reason that you have a claim in connection with $PLANCK, please submit your details before the deadline below. Submitting information does not create, waive or limit any right you may have; it ensures that your position is on the record and is put before the liquidator.

Item	Detail
Deadline	24 November 2026, 23:59 CET
How to submit	By email to winddown@plancknetwork.eu
Acknowledgement	Every submission is acknowledged in writing within 7 days

Please include, so far as each item applies to you:

- your full legal name, or entity name and registration number, and your country of residence;
- every wallet address at which you hold or held $PLANCK, and the quantity held;
- how the tokens were acquired: purchase on a trading platform, allocation, or otherwise;
- the nature and amount of any claim you consider you have; and
- an email address and a postal address at which the liquidator can reach you.

Submissions received after the deadline may not be capable of being taken into account before the liquidation steps described below. If you are unsure whether something is relevant, send it.

5. Regulatory position

The $PLANCK white paper was notified to CySEC on 8 October 2025 and published on 7 November 2025 in accordance with Title II of Regulation (EU) 2023/1114 ("MiCA"). In connection with this wind-down:

- CySEC is being notified of the wind-down and of the cessation of all offer and admission-to-trading activity in respect of $PLANCK;
- on expiry of the notification window a cessation notice will be filed with CySEC, and the register entry maintained under Article 109 of MiCA will be updated accordingly; and
- no further offer of $PLANCK to the public, and no further step towards admission of $PLANCK to trading, will be made.

6. Token and treasury close-out

From the date of this notice there will be no further token generation event, minting, airdrop, snapshot, migration, bridge deployment or new contract deployment in connection with $PLANCK. Any communication suggesting otherwise is not authorised.

The Core Team allocation recorded at section G.5 of the white paper is being reconciled in full, on-chain and in the accounting records. Any balance remaining on completion of that reconciliation will be burned before the liquidation of the BVI Issuer commences, and the reconciliation will be delivered to the liquidator appointed for that company.

Mint, pause, blacklist and upgrade authority over the token contract will be renounced in a documented sequence. On completion, a technical notice will be published on this page recording the block heights, the transaction hashes, the resulting supply and the renounced roles, and confirming that no party retains administrative authority over the contract.

7. Liquidation and adjudication of claims

The Cyprus Issuer will be wound down by way of a members' voluntary liquidation. The BVI Issuer will be wound down by way of a voluntary liquidation. A liquidator will be appointed for each company, and their appointment will be published on this page together with the address for the submission of claims in the liquidation.

Claims notified during the notification window will be provided to the appointed liquidator together with the records of the token position and the treasury reconciliation, and will be adjudicated by the liquidator in accordance with the applicable law. Nothing in this notice states, admits or rejects any entitlement, and nothing in it should be read as an assurance that any particular claim will be admitted or paid.

8. Personal data

Personal data submitted in response to this notice is processed for the purpose of the notification exercise, the treasury reconciliation and the liquidations, and is shared with the appointed liquidators and the Issuers' professional advisers for those purposes. Data is retained for the period required by the applicable anti-money-laundering legislation and is then deleted. For data protection enquiries: winddown@plancknetwork.eu.

9. Fraud and impersonation warning

Wind-down announcements attract fraud. Please read this section.

- No one acting for the Issuers or the liquidators will ever ask you for a private key, a seed phrase, or a wallet signature in order to process a claim.
- No payment of any kind - no "gas fee", "unlock fee", "verification fee" or "recovery fee" - is required to submit or advance a claim. Any request for payment is fraudulent.
- There is no token swap, no migration, no recovery portal and no compensation portal. Any site or message offering one is fraudulent.
- The only official channels are the wind-down page at https://www.plancknetwork.com/wind-down, the claim inbox at winddown@plancknetwork.eu, and the official accounts linked from that page. Treat every other channel, account or individual as unauthorised.
- The wind-down page is on plancknetwork.com and the mailbox is on plancknetwork.eu. Both are ours. Use only the address exactly as it appears on that page, and treat any other spelling or domain as fraudulent.

If you are approached, please report it to the claim inbox with a screenshot. Do not engage.

10. Contact

Questions about this notice should be sent to winddown@plancknetwork.eu. Enquiries are answered within 7 days. This notice, and each subsequent step of the wind-down, is published at https://www.plancknetwork.com/wind-down and remains available there.
